Last year, more than 1,800 children, birth through five years of age, were reached!

Smart Start of Davie County has been serving our community since 1997!

Our mission is to ensure quality childcare, education, health and family support programs for all Davie County children birth to five. Our annual fundraiser is used to provide family support programs that are desperately needed, where other funding falls short. Visit our website to see all of the programs and resources that we offer to children, parents, caregivers, & child-care workers.

Thank you for your interest in our youngest citizens!
